## **signature aromatherapy facial**

**\$110.00**

90 minutes

This Ayurvedic style facial is designed to address your individual skin care needs using the highest quality of plant based organic facial products. Customizable masques, massage combined with essential oils enhance the therapeutic effects. This signature aromatherapy facial is relaxing, purifying, nourishing and hydrating. Definitely a rejuvenating experience.

## **smoothing back treatment**

**\$60.00**

60 minutes

This invigorating treatment includes a unique combination of deep cleansing, exfoliating, and massage. This clarifying and exfoliating treatment will not only soften the skin of the back, but detoxify it as well. Great for treating back acne.

## **gentlemen's facial**

90 minutes

**\$110.00**

Specifically designed for a man's skincare needs. Using steamed towels, soothing pressure points and aromatherapy, this treatment is wonderfully relaxing and great for keeping a man's skin in optimal condition especially after sun exposure on the golf course.

# PROFESSIONAL PCA SKIN TREATMENTS

Exfoliating solutions customized for different skin types and applied topically. PCA peels are intended to reduce signs of acne, hyperpigmentation, and aging by exfoliating dead skin cells and revealing a new layer of skin.

## peel alternatives

\$55.00

### Oxygenating Trio

Helps promote healthy skin and regulates sluggish, stressed skin that has been depleted by toxins, pollutants, allergens, improper diet, smoking and sun damage. Great for people who take daily medications.

### Detox Gel Deep Pore Treatment

Dissolves debris, softens blackheads, kills bacteria, and reduces inflammation and rough surface texture leaving the skin purified and clear.

## therapeutic masks

\$45.00

### Clarifying Mask (Acne)

Provides soothing and purifying action while promoting a clear complexion.

### Detoxifying Mask (Acne/Preventative)

Japanese white charcoal and clay absorb excess dirt, oil and debris minimizes the appearance of pores reducing future breakouts.

### Hydrating Mask (Aging/Sensitive)

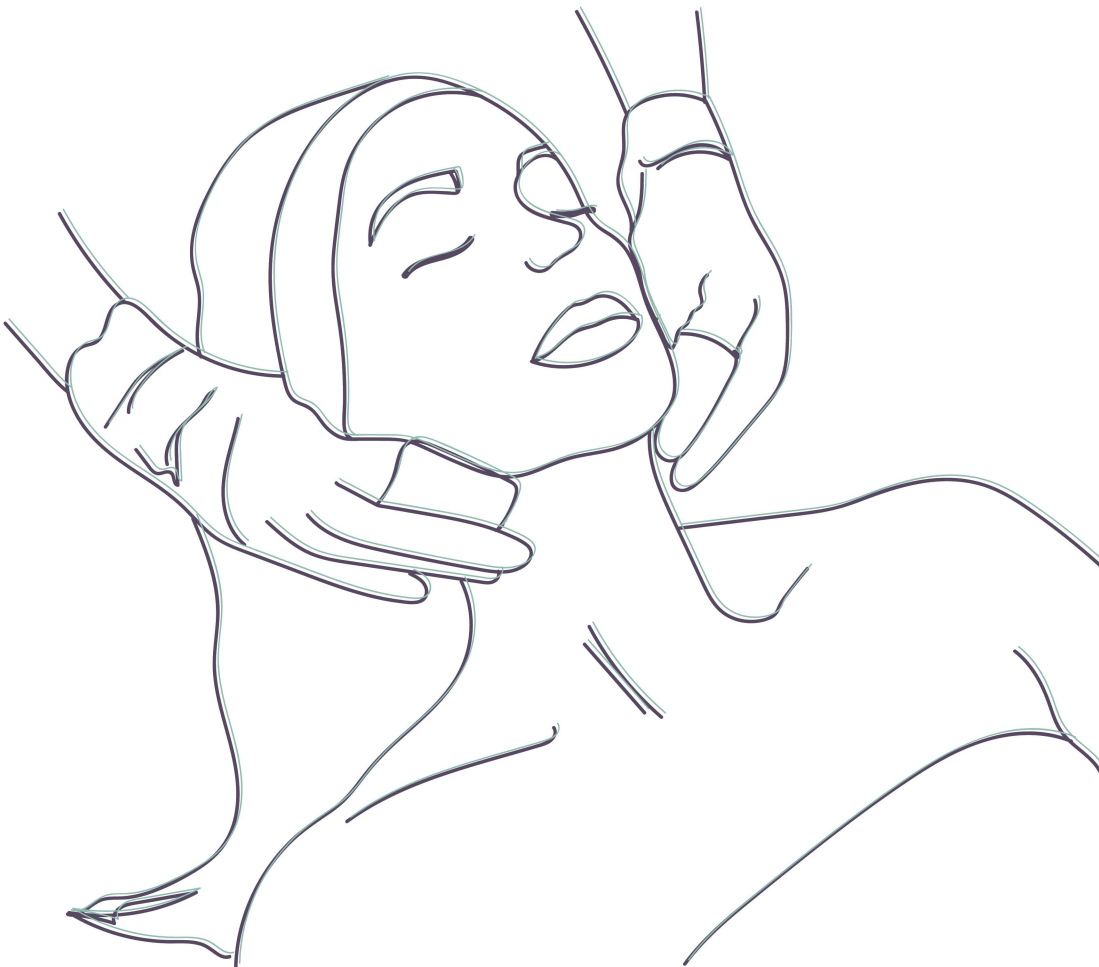

Provides a combination of antioxidant-rich oat milk, with pathenol and additional botanicals like cucumber and arnica to calm, hydrate and improve the overall appearance of the skin.

### Revitalizing Mask (Acne/Aging/Preventative)

Combines a combination of papaya puree and additional fruit extracts from lemon orange and apple to brighten dull complexions and exfoliate, leaving the skin with a healthy glow. Green tea, vitamin E and honey are moisturizing antioxidants that help keep the skin soft and hydrated.

**any of these treatments result in  
Immediate - Smoothing- Healthy Glowing skin**
